Soon afterwards Jesus began a tour of the nearby towns and villages, preaching and announcing the Good News about the Kingdom of God . He took his twelve disciples with him, along with some women who had been cured of evil spirits and diseases. Among them was Mary Magdalene, from whom he had cast out seven demons; Joanna, the wife of Chuza, Herod's business manager; Susanna and many others who were contributing their own resources to support Jesus and his disciples. Luke 8:1+

Earth has nothing more tender than a woman's heart when it is the abode of piety. Martin Luther

God is looking for imperfect men and women who have learned to walk in moment-by-moment dependence on the Holy Spirit. Christians who have come to terms with their inadequacies, fears, and failures. Believers who have become discontent with 'surviving' and have taken the time to investigate everything God has to offer in this life. Charles Stanley

No doubt [women of faith in the past] were reproached for His name's sake, and accounted mad women; but they had a faith which enabled them at that time to overcome the world, and by which they climbed up to heaven. George Whitefield

I wish we had a few more women like the woman of Samaria, willing to confess what the Lord Jesus Christ had done for their souls. D. L. Moody

There are two hundred and fifty-six names given in the Bible for the Lord Jesus Christ, and I suppose this was because He was infinitely beyond all that any one name could express. Billy Sunday

Ingathering. The total so far is: £1917.39 There is still another tin to be counted and the promise of further donations..

There is a story about a family whose twenty year old son had become rebellious. He spent his nights wasting away with drinking and parties, and he constantly spurned his parents love. One night in a drunken stupor he appeared at his parent's home, stumbled through the door and passed out on their floor. As the father was about to wake him and kick him out, the mother gently knelt down beside him, place his head in her lap and caressed his hair. When the father began to speak, she said, "Shhh! This is the only time I get to hold him. He's still my son and I want to hold him."
