Even though I am a free man with no master, I have  
become a slave to all people to bring many to Christ.  
When I was with the Jews, I lived like a Jew to bring the  
Jews to Christ. When I was with those who follow the  
Jewish law, I too lived under that law even though I am  
not subject to that law. I did this so that I could bring to  
Christ those under the law. When I am with Gentiles who  
a're not under the Jewish law, I too live apart from that  
law, so that I can bring them to Christ. But I do not ignore  
the law of God. I obey the law of Christ.. When I am with  
those who are weak, I share in their weakness, for I want  
to bring the weak to Christ.    1 Cor. 9:19+

God has created me to do him some definite  
service; he has committed some work to me which  
he has not committed to another. I have my  
mission - I never may know it in this life, but I shall  
be told it in the next.    John Henry  
Newman

The only way the corporate Body of Christ will  
fulfill the mission Christ has given it is for  
individual Christians to have a vision for fulfilling  
that mission personally.    D'alvid  
Jeremiah

My business is with all my might to serve my own  
generation. In doing so I shall best serve the next  
generation, should the Lord tarry. I have but one  
life to live on earth and this one life is but a brief  
life for sowing in comparison with eternity for  
reaping. My business is with all my might to serve  
my own generation. In doing so I shall best serve  
the next generation, should the Lord tarry. I have  
but one life to live on earth and this one life is but  
a brief life for sowing in comparison with eternity  
for reaping.    George  
Muller

In the 1890s, Marcus Young moved his family to Burma,  
which is now called Myanmar. He was digging a well one day  
when he noticed some mountain tribesmen staring down into  
the hole he was in. The tribesmen asked him, "Have you  
brought the book of God?"  
They then explained that a prophet named Pu Chan had  
saddled his pony and commanded these men to follow the  
pony to the white man with the book of God. They gave the  
pony it's head and it travelled 200 miles over mountain  
passes until it stopped at Marcus Young's well. Young  
climbed out of his hole, up the mountain, and led 100,000 to  
Christ over the next few decades.
