Say this to those who worship other gods. "Your so-
called gods, who did not make the heavens and the
earth, will vanish from the earth and from under the
heavens." But God made the earth in his power and he
preserves it by his wisdom. With his own
understanding he stretched out the heavens. When he
speaks in the thunder, the heavens roar with rain. He
caused the clouds to rise over the earth. He sends
the lightening with the rain and releases the wind from
his storehouses. The whole human race is foolish and
has no knowledge! *Jer. 10:11+*

SABBATH: 21st November **Sunset:** 16.18

SABBATH SCHOOL: 10.30

DIVINE SERVICE: 12.00

Preacher: Dr. Brian Phillips

Just think you are here not by chance but by GOD's
choosing. His hand formed you and made you the
person you are. He compares you to no one else; you
are one of a kind. You lack nothing that His grace can't
give you. He has allowed you to be here at this time in
history to fulfil His special purpose for this generation.
You are GOD's servant in GOD's place at GOD's
perfect time. *Roy Lessin*

No matter how dark the sky, how discouraging the
circumstances, how desperate the situation, God is
there—a God who is too good to forget and too great to
fail. God is there, his mighty arm ruling this universe for
him, redeeming all who will let him, and reinforcing any
who respond to him in faith and obedience!

Leo Green

If your reputation is perfectly intact on every front, if you
never irritate anyone, if you never make a stir, you
might be doing something wrong – or more likely,
you're not doing something right. "Woe to you when all
men speak well of you, for in the same way their
fathers used to treat the false prophets" *R. Terry*

Let us beware of rebellion against the Lord.
Circumstances are of his choosing, because He wants
to bless us, to lead us (even through the wilderness)
out of Egypt, that is, out of ourselves. Settle the
complaint with God, and it will settle other things. Be
offended with God, and you will be offended with
everyone who crosses your path. *Elizabeth Elliot*

A French soldier in World War I carried a little recipe for
worry: "Of two things, one is certain. Either you are at the
front, or you are behind the lines. If you are at the front, of
two things one is certain. Either you are exposed to
danger, or you are in a safe place. If you are exposed to
danger, of two things one is certain. Either you are
wounded, or you are not wounded. If you are wounded, of
two things one is certain. Either you recover, or you die. If
you recover, there is no need to worry. If you die, you
can't worry. SO WHY WORRY
