The LORD gave me another message. He said, "Do not get married or have children in this place. For this is what the LORD says about the children born here in this city and about their mothers and fathers. They will die from terrible diseases. No one will mourn for them or bury them and they will be scattered on the ground like manure. They will die from war and famine, and their bodies will be food for vultures and wild animals." This is what the LORD says, "Do not go to funerals to mourn and show sympathy for these people, for I have removed my protection and peace from them. I have taken away my unfailing love and my mercy. Both the great and the lowly will die in this land. Jer. 16:1+

Some people say, 'God will not ask me to do anything that I am not able to do.' God always asks you to do things you cannot do. He is not interested in revealing your devotion to Him to a watching world, by giving you things you know you can do. He doesn't take an inventory of your gifts and abilities. He looks at your life to see if you have an obedient heart and are willing to let Him express His presence and His power through your life. *Henry Blackaby*

The best way in the world to deceive believers is to cloak a message in religious language and declare that it conveys some new insight from God.

Charles Stanley

If you want the truth to go round the world you must hire an express train to pull it; but if you want a lie to go round the world. it will fly; it is as light as a feather, and a breath will carry it. It is well said in the old proverb, 'a lie will go round the world while truth is putting its boots on. *Charles H. Spurgeon*

Instead of repentance, people are getting all kinds of counterfeit spiritual experiences. There seems to be almost no discernment at all. *Andrew Strom*

There was once a shipwreck at night, caused by a mighty storm. A boy on the ship was taken away by the waves. He eventually came to rest on a rock. He stayed on the rock all night, shivering in the cold storm. A rescue crew found him the next morning. They asked him, "Weren't you scared? Didn't the storm cause you to tremble with fear?" The boy answered, "Yes, I was scared. I shook all night long, but the rock didn't."
