And now Israel, listen carefully to these decrees and
regulations that I am about to teach you. Obey them
that you may live, so you may enter and occupy the
land that the LORD the God of your ancestors, is giving
you. Do not add to or subtract from these commands of
the LORD your God that I am giving you.. You saw for
yourself what the Lord did to you at Bal-Peor. There
the LORD your God destroyed everyone who had
worshipped Baal, the god of Peor. But all of you who
were faithful to the Lord your God are still alive today—
every one of you. *Deut. 4:1+*

Patience is a vibrant and virile Christian virtue, which is
deeply rooted in the Christian's absolute confidence in
the sovereignty of God and in God's promise to bring
all things to completion in a way that most fully
demonstrates His glory. *Albert Mohler*

[Divine power] is displayed not in dramatic
manifestations that intrigue men but in lives of quiet
confidence and steady persistence that glorify God.
Alistair beg

Our peace and confidence are to be found not in our
empirical holiness, not in our progress toward
perfection, but in the alien righteousness of Jesus
Christ that covers our sinfulness and alone makes us
acceptable before a holy God. *Donald Bloesch*

We must win rulers; political, economic, scientific,
artistic personalities. They are the engineers of souls.
They mold the souls of men. Winning them, you win the
people they lead and influence. *Richard Wurmbrand*

When a person is not capable of earning a wage, can
win no prize, and deserves no award – yet receives
such a gift anyway – that is a good picture of God's
unmerited favour. This is what we mean when we talk
about the grace of God. *Nita Johnson*

Go and have compassion on all, for through
compassion, one finds freedom of speech before God
Anon.

A man told of his experiences in a little town named
Flagstaff. The town was to be flooded, as part of a large
lake for which a dam was being built. In the months before
it was to be flooded, all improvements and repairs in the
whole town were stopped. What was the use of painting a
house if it were to be covered with water in six months?
Why repair anything when the whole village was to be
wiped out? So, week by week, the whole town became
more and more bedraggled, more gone to seed, more
woebegone. Then he added: "Where there is no faith in
the future, there is no power in the present."
