mobile phones will be in the hall. Toner cartridges also
accepted. All the proceeds from the re-cycling will go to
ADRA. Please help us to fill it**

You have done many good things for me LORD, just as
you promised. I believe in your commands, now teach
me good judgement and knowledge. I used to wander off
until you disciplined me, but now I closely follow your
word. You are good and do only good: teach me your
decrees. Arrogant people smear me with lies, but in truth I
obey your commandments with all my heart/ Their hearts
are dull and stupid, but I delight in your instructions. My
suffering was good for me, for it taught me to pay
attention to your decrees. Your instruction is more
valuable to me than millions in gold and silver.. Ps.119:65+

SABBATH: 5th. November **Sunset:** 16.44

SABBATH SCHOOL: 10.30

DIVINE SERVICE: 12.00

Preacher: Brian Davidson

In trial and weakness and trouble, He seeks to bring us
low, until we learn that His grace is all, and to take
pleasure in the very thing that brings us and keeps us low.
His strength is made perfect in our weakness. His
presence filling and satisfying our emptiness, becomes the
secret of humility that need never fail. The humble man
has learned the secret of abiding gladness. The weaker
he feels, the lower he sinks, and the greater his
humiliations appear, the more power and the presence of
Christ are his portion. *Andrew Murray*

Whether God chooses the ordinary path of rewarding our
goodness with observable blessing, or the extraordinary
path of blessing our obedience with trials that will
strengthen our character and stretch our faith, His love is
never lacking *Bryan Chappell*

In His infinite wisdom, God allows trials in order to develop
perseverance in us and to cause us to fix our hopes on
the glory that is yet to be revealed *Jerry Bridges*

Trials are the crucible in which perseverance is forged.
Anon.

To learn strong faith is to endure great trials. I have
learned my faith by standing firm amid severe testings.
George Mueller

God has a purpose for trials and testings. Warren Wiersbe

Thanks to all those who came and worked at the church
last Sunday. There is plenty more to be done, so it would
be nice to see some more helpers next time.

The Japanese introduced a tree to the world that is called a Bonsai
tree. It is not allowed to reach its full growth potential but instead
grows in a stunted miniature form. The reason for it growing in
stunted form is that when it first stuck its head out of the ground as
a sapling, the owner pulled it out of the soil and tied off its main tap
root and some of its branch feeder roots and then replanted it. By
doing this, its growth was stunted limiting the roots ability to spread
out and take in adequate nutrients for normal growth. What was
done to the Bonsai tree is what Satan has purposed to do to you. He
wants to limit the provision we find in God
