But in the words of Scripture, "Things beyond our seeing, things beyond our hearing, things beyond our imagining. All prepared by God for those who love him". These it is that God has revealed to us through the prophets/
For the Spirit explores everything—even the depths of Gods own nature. Among men, who know what a man is but the man's own spirit within him? In the same way, only the Spirit of God knows what God is. This is the Spirit that we have ereceived from God and not the spirit of the world, so that we may know all that God of his own grace has given us.; and, because we are interpreting spiritual truths to those who have the Spirit, we speak of these gifts of God in words found for us not by our human wisdom but by the Spirit.
1Cor. 2:9+

It is the signature of the Holy Ghost upon our work and witness that makes all the difference. *Duncan Campbell*

The Spirit-filled life is not a special, deluxe edition of Christianity. It is part and parcel of the total plan of God for His people. *A. W. Tozer*

Leading implies following; and those who are enabled to follow the guidance of the Divine Spirit are most assuredly children of God, for the Lord ever leads His own children. If, then, you are following the lead of God's Spirit, you have one of the evidences of Sonship. *C. H. Spurgeon*

Watch out for any ministry or person who claims to be led by the Holy Spirit but acts contrary to the Word of God. And beware of any movement or group whose focus is the Holy Spirit. The Holy Spirit points not to Himself but to Jesus Christ. *George Sweeting*

There's no mechanism that we possess that tells us at the moment when the Holy Spirit is leading us and in some supernatural way. But that in retrospect we will be able to discern by the providences of God that unfold.

John MacArthur

I seek the will of the Spirit of God through or in connection with the Word of God. The Spirit and the Word must be combined. If I look to the Spirit alone without the Word, I lay myself open to great delusions also. *George Mueller*

As the sun can be seen only by its own light, so Christ can be known only by His own Spirit. *Robert Leighton*

An impulsive thought is not to be interpreted as belonging to the Spirit of Revelation. *Watchman Nee*

Bruce Howell tells the story of a father and his son and daughter who were 8 and 10. They went swimming in the Atlantic Ocean off New Jersey a few years back. They were all great swimmers. They were a long way from shore and they became separated when the dad realized that the tide was carrying them out to sea. He called out to his daughter, "Mary, I am going to shore for help. If you get tired, turn on your back. You can float all day on your back. I'll come back for you." He and the boy made it to shore and then there was a frantic search for the girl. Finally after 4 hours they found her far out in the sea. She was calmly swimming on her back and wasn't frightened at all. There was a tremendous amount of relief when the calm girl was finally back on shore. Everyone wondered how she could be so calm. She said, "Daddy said he would come for me and that I could float all day, so I swam and floated because I knew he would come."
