Submit yourselves to every human institution for the
sake of the Lord, whether to the sovereign as supreme,
or to the governor as his deputy for the punishment of
criminals and the commendation to those who do right.
For it is the will of God that by your good conduct you
should put ignorance and stupidity to silence.

Live as free men; not however as though your freedom
was there to provide a screen for wrongdoing, but as
slaves in God's service. Give due honour to everyone:
love to the brotherhood, reverence to God, honour to
the sovereign. *1Peter 2:13+*

Preacher: Pr. Jovan Adamović

The cosiness between church and state is good for the
state and bad for the church. *G. K. Chesterton*

The chief danger of the Church today is that it is trying to
get on the same side as the world, instead of turning the
world upside down. Our Master expects us to accomplish
results, even if they bring opposition and conflict. Anything
is better than compromise, apathy, and paralysis.

A. B. Simpson

We must face the fact that many today are notoriously
careless in their living. This attitude finds its way into the
church. We have liberty, we have money, we live in
comparative luxury. As a result, discipline practically has
disappeared. What would a violin solo sound like if the
strings on the musician's instrument were all hanging
loose, not stretched tight, not "disciplined?" *A. W. Tozer*

I believe that one reason why the church of God at this
present moment has so little influence over the world is
because the world has so much influence over the
church... Put your finger on any prosperous page in the
Church's history, and [you] will find a little marginal note
[that says]: "In this age [people] could readily see where
the Church began and where the world ended."

C.H. Spurgeon

It is right for the Church to be in the world; it is wrong for
the world to be in the Church. A boat in water is good;
that is what boats are for. However, water inside the boat
causes it to sink. *Harold Lindsell*

People who have good relationships at home are more
effective in the marketplace. *Zig Ziglar*

Christianity is not a religion or a philosophy, but a
relationship and a lifestyle. The core of that lifestyle is
thinking of others, as Jesus did, instead of ourselves.

Rick Warren
