But Israel had false prophets as well as true; and you likewise will have false teachers among you. They will import disastrous heresies, disowning the very Master who bought them, and bringing swift disaster on their own heads. They will gain many adherents to their dissolute practices, through whom the true way will be brought into disrepute. In their greed for money they will trade on your credulity with sheer fabrications. But the judgement long decreed for them has not been idle; perdition waits for them with unsleeping eyes. God did not spare the angels who sinned, but consigned them to the dark pits of hell, where they are reserved for judgement.

Board Meeting

Fellowship lunch

Really great moral teachers never do introduce new moralities: it is quacks and cranks who do that.

C. S. Lewis

False prophets are to be found in the circles of the most orthodox, and they pretend to have a fervent love for souls, yet they fatally delude multitudes concerning the way of salvation. The pulpit, platform, and pamphlet hucksters have wantonly lowered the standard of divine holiness and so adulterated the Gospel in order to make it palatable to the carnal mind.

A..W. Pink

It is a remarkable fact that all the heresies which have arisen in the Christian Church have had a decided tendency to dishonour God and to flatter man.

C. H. Spurgeon

False teachers invite people to come to the Master's Table because of what's on it, not because they love the Master.

Hank Hanegraaff

Whatever is only almost true is quite false, and among the most dangerous of errors, because being so near truth, it is the more likely to lead astray.

H. W. Beecher

False teaching can appear in many different forms; but we can divide them into two main sections. Sometimes it takes the form of a blatant denial of the Truth and of the cardinal principles and tenets of the Christian faith... But false teaching does not always take that form. There is another form... Here it is not so much a denial of the faith, not so much a contradiction of the cardinal elements, as a teaching which suggests that something else is required in addition to what we have already believed.

Martyn Lloyd-Jones

God's purpose in redeeming men from sin is not to give them freedom to do as they please but freedom to do as He pleases, which is to live righteously.

John MacArthur

Martin Luther many years ago was looking for a way to help the people of his day learn to praise God in song. So he went into the pubs to find out what they were singing. He took a popular tune and set words to it... "A Mighty Fortress is Our God..." That's a bar tune – popular music of the day used to communicate truth.
