But some members of the Synagogue called the Synagogue of Freedmen, comprising Cyrenians and Alexandrians and people from Cilicia and Asia, came forward and argued with Stephen, but could not hold their own against the inspired wisdom with which he spoke. They then put up men who alleged that they heard him make blasphemous statements against Moses and God. They stirred up the people and elders and doctors of the law, set upon him and seized him, and brought him before the Council. They produced false witnesses who said, This man is for ever saying things against this holy place against the Law. For we have heard him say that Jesus of Nazareth will destroy this place and alter customs handed down to us by Moses.' And all who were sitting in the Council fixed their eyes on him, and his face appeared to them like the face of an angel. Acts 6:9+

A Protestant has seldom any mercy shown him, and a Jew, who turns Christian, is far from being secure. John Foxe

And while God had work for Paul, he found him friends both in court and prison. Let persecutors send saints to prison, God can provide a keeper for their turn. William Gurnall

Religion will cost us the tears of repentance and the blood of persecution. Thomas Watson

God never alters the robe of righteousness to fit the man. Rather He alters the man to fit the robe John Hagee

People pay attention when they see that God actually changes persons and sets them free. Jim Cymbala

[In explaining his imprisonment, the Apostle] Paul subtly notifies his readers that proclaiming the mystery of Christ crucified is more likely to open the door to a prison cell for them instead of the door to financial and social success. David Garland

Discord and division become no Christian. For wolves to worry the lambs is no wonder, but for one lamb to worry another, this is unnatural and monstrous. Thomas Brooks

He that is not a son of Peace is not a son of God. All other sins destroy the Church consequentially; but Division and Separation demolish it directly. Richard Baxter

Rabbi Slostowski, a professor at a seminary in Tel Aviv, hated the Lord Jesus Christ. So great was his resentment that he sharply criticized a young student who was reading a Hebrew New Testament. The young man replied by giving him the copy. That night, the rabbi, alone in his room, stayed up until three in the morning reading about the Nazarene who claimed to be the Messiah. The Holy Spirit guided him into all truth, and later he confessed, "I have already found more than 200 passages of the New Testament that prove beyond a doubt that Jesus is truly the Messiah." Oh, the power of the Holy Spirit to bring light where there is only darkness. He is truly awesome.
