I mean this: if you are guided by the Spirit you will not fulfil the desires of your lower nature. That nature sets its desires against the Spirit, while the Spirit fights against it. They are in conflict with one another so that what you will to do you cannot do. But if you are led by the Spirit, you are not under law. Anyone can see the kind of behaviour that belongs to the lower nature: fornication, impurity, and indecency; idolatry and sorcery; quarrels. A contentious temper, envy, fits of rage, selfish ambition, dissensions, party intrigues, and jealousies; drinking bouts, orgies and the like. I warn you , as I warned you before, that those who behave in such ways will never inherit the kingdom of God. Gal.5:16+

It is silence when our words would hurt;
It is patience when we’re being hurt;
It is deafness when scandal flows;
It is thoughtfulness for another’s woes;
It is sharing whatever little we have;
It is being kind rather than being right most of the time.
Anon.

When you resort to shouting in conflict, you are reacting in the flesh. You have lost control of the only person you can control: yourself. Neil T. Anderson

God can accomplish more through one message in the fullness of the Spirit than through hundreds given in the energy of the flesh. O.J. Smith

As in all warfare, the two essential elements in victory are knowing your enemy and knowing your resources. Sinclair Ferguson

The Bible teaches that we should see conflict neither as an inconvenience nor as an occasion to force our will on others, but rather as an opportunity to demonstrate the love and power of God in our lives. Ken Sande

Whatever your gifts, accomplishments, or virtues, they cannot produce fruit if you are detached from Jesus Christ. Christians who think they are bearing fruit apart from the Vine are only tying on artificial fruit. They run around grunting and groaning to produce fruit but accomplish nothing. Fruit is borne not by trying, but by abiding. John MacArthur

The Kingdom of Ebla was about 300 miles southwest of Haran and Abram would have passed through it on his journey to Canaan. The Ebla Kingdom was unknown to history until it was discovered in 1968 by Archaeologists and Professor Paolo Matthiae of the University of Rome. In 1975 the archives of the kingdom’s history was found. 17,000 clay written tablets were found in 1975 and another 1600 the following year. Science has dated this find at 2250 BC, which is in the same time frame as Abram’s life.
