We must not be conceited, challenging one another to rivalry, jealous of one another. If a man should do something wrong, my brothers, on a sudden impulse, you who are endowed with the Spirit must set him right again very gently. Look to yourself, each one of you: you may be tempted too.. Help one another to carry these heavy loads. And in this way you will fulfil the law of Christ. For if a man imagines himself to be somebody, when he is nothing, he is deluding himself..
Gal. 6:1+

Preacher: Brian Davison

Most laws condemn the soul and pronounce sentence. The result of the law of my God is perfect. It condemns but forgives. It restores - more than abundantly - what it takes away.
Jim Elliot

Instead of concentrating on your problems and getting discouraged, focus on God and meditate on His promises for you. You may have fallen down, but you don't have to stay down. God is ready, willing and able to pick you up
Joyce Meyer

God is not at a loss when He moves to bring us back to Himself. He can woo or whip. He can draw or drive. He can work rapidly or slowly, as He pleases. In other words, He is free to be God! And in His own way, at His own pace, He brings us back.
Tom Wells

It is the little things we do and say that means so much as we go our way. A kindly deed can lift a load from weary shoulders on the road.
Willa Hoey

We cannot avoid the burdens of life, but we do have a choice as to whether we carry them on the strength of our own backs or yoke ourselves to our Lord who has promised to get under the load with us and make our burdens light.
Al Cadenhead

It could be a sign of pride in your life if a word of reproof or admonition is not able to be received with the same grace, whether it be given by the poorest of saints or the most educated person.
John Bunyan

It is foolish for humans, including God's people, to imagine that they are self-sufficient. God does not help those who help themselves. Rather, He helps those who cannot help themselves, know it, and rely on Him.
Dean Ulrich

William Law understood that it is with the discipline of service that one gains humility. If we want humility, he urges us to, "give in to all the weaknesses and infirmities of your fellow-man, cover their frailties, love their excellences, encourage their virtues, relieve their wants, rejoice in their prosperities, be compassionate in their distress, receive their friendship, overlook their unkindness, forgive their malice, be a servant of servants, and agree to do the lowest offices to the lowest of mankind.
