You see these big letters? I am now writing to you in my own hand. It is all those who want to make a fair outward and bodily show who are trying to force circumcision upon you.; their sole object is to avoid persecution for the cross of Christ . For even those who do receive circumcision are not thoroughgoing observers of the law, they only want you to be circumcised in order to boast of your having submitted to the outward rite. But God forbid that I should boast in anything but the cross of our Lord Jesus Christ, through which the world is crucified to me and I to the world! Circumcision is nothing: uncircumcision is nothing!; the only thing that matters is new creation! *Gal.6:11+*

SABBATH: 7th. October **Sunset:** 18.44

SABBATH SCHOOL; 10.30

DIVINE SERVICE; 12.00

Preacher: Jon Meredith

No man can ever lack this mortification of his vanity, that what he knows is but a very little in comparison of what he is ignorant of. Consider this, and instead of boasting thy knowledge of a few things, confess and be out of countenance for the many more which thou dost not understand. *Thomas a Kempis*

However sweet the word may sound, any sectarian boasting is but the babbling of a babe. The divisions in the church are due to no other cause than to lack of love and walking after the flesh. *Watchman Nee*

You are not mature if you have a high esteem of yourself. He who boasts in himself is but a babe in Christ, if indeed he be in Christ at all. Young Christians may think much of themselves. Growing Christians think themselves nothing. Mature Christians know that they are less than nothing. The more holy we are, the more we mourn our infirmities, and the humbler is our estimate of ourselves.

Charles Spurgeon

We are wired by God to be angry and be jealous and yes, to boast - some of us more than others! From little kids to senior citizens, everybody is boasting. Some of it is vain-glory and some of it is noble. Yet legitimate boasting in God's eyes is the boasting that exalts the grace of God and what He has accomplished in our lives. We are created to be mirrors that reflect His image. When the world sees God's work in us, He receives great glory. And when our boasting is of this nature, the heart is right and our boasting will actually lead in us to greater humility.

Randy Smith

There is a story told by Dr. Joseph Stowell, President of Moody Bible Institute, as he visited a home for mentally handicapped children. While walking through the corridors, he noticed that the windows were covered with tiny little hand prints. He asked the director, what they were all about. The director replied, "The children here love Jesus and they're so eager for Him to return that they lean against the windows as they look up to the sky." My friends, when we face the difficulties of life, lean against the window and look up to the sky. Jesus is coming back. Encourage one another with these words.
