Therefore, put on every piece of God's armour so you will be able to resist the enemy in the time of evil. Then, after the battle you will still be standing firm. Stand your ground, putting on the belt of truth and the body-armour of God's righteousness. For shoes, put on the peace that comes from the Good News so that you will be fully prepared. In addition to all these, hold up the shield of faith to stop the fiery arrows of the devil. Put on salvation as your helmet, and take the sword of the Spirit which is the Word of God. *Eph. 6:13+*

Sins such as envy, jealousy, covetousness, and greed very markedly reveal a focus on self. Instead you are to please God and bless others by practicing biblical stewardship which is to care for and give of the physical and spiritual resources that God has provided for you *John Broger*

Further, Take heed that you faithfully perform the business you have to do in the world, from a regard to the commands of God; and not from an ambitious desire of being esteemed better than others. *David Brainerd*

Worship is giving God the best that He has given you. Be careful what you do with the best you have. Whenever you get a blessing from God, give it back to Him as a love gift. Take time to meditate before God and offer the blessing back to Him in a deliberate act of worship. If you hoard a thing for yourself, it will turn into spiritual dry rot, as the manna did when it was hoarded. God will never let you hold a spiritual thing for yourself; it has to be given back to Him that He may make it a blessing to others. *Oswald Chambers*

At the end of your life on earth you will be evaluated and rewarded according to how well you handled what God entrusted to you. *Rick Warren*

I have held many things in my hands, and I have lost them all; but whatever I have placed in God's hands, that I still possess. *Martin Luther*

All Christians are but God's stewards. Everything we have is on loan from the Lord, entrusted to us for a while to use in serving Him *John MacArthur*

In his book, First Things First, author Stephen Covey writes about Viktor Frankl, an Austrian psychologist who survived the death camps of Nazi Germany. Frankl made a startling discovery about why some survived the horrible conditions and some did not. "He looked at several factors - health, vitality, family structure, intelligence, survival skills. Finally he concluded that none of these factors was primarily responsible. The single most significant factor, he realized, was a sense of future vision - the impelling conviction of those who were to survive was that they had a mission to perform, some important work left to do. Survivors of POW camps elsewhere have reported similar experiences: a compelling, future-oriented vision is the primary force that kept many of them alive."
