They were still addressing the people when the chief priests came upon them, together with the Controller of the Temple and the Sadducees, exasperated at their teaching the people and proclaiming the resurrection from the dead—the resurrection of Jesus. They were arrested and put in prison for the night, as it was already evening. But many of those who had heard the message became believers. The number of men now reached about five thousand. Next day the Jewish rulers, elders, and doctors of the law met in Jerusalem. *Acts 4:1+*

Where the Spirit of God is, there is also singing. The early church was characterized by its singing; so also in every generation where there is renewal by the Spirit a new hymnody breaks forth. If most such songs do not have staying power, some of them do, and these become the treasure-trove of our ongoing teaching and admonishing of one another, as well as of our constantly turning to God the Father and God the Son and offering praise by inspiration of the Holy Spirit. *Gordon D. Fee*

Healing means bringing the person into a right relationship with the physical, mental and spiritual laws of God. *Charles L. Allen*

Prayer is a force as real as terrestrial gravity. As a physician, I have seen men lifted out of sickness by the power of prayer. It is the only power in the world that overcomes the laws of nature. *Alexis Carrel*

Jesus used a show, tell, deploy, and supervise method of training. After calling the disciples he took them along with him, teaching and healing the sick as he went. Then, after he thought the disciples had seen and learned enough to try for themselves, he then commissioned, empowered, instructed, and sent them out to do the same things. *John Wimber*

Men never do evil so completely and cheerfully as when they do it from religious conviction. *Blaise Pascal*

We are to reflect Christ in all that we say and do. And the Christ of Scripture is the humble, suffering servant who, in spite of great opposition, false accusations, and public ridicule, remained faithful to the heavenly calling. *David Hegg*

Consider what happens in one day. IN a 24 hour period, if you're an adult of average weight, here is what you accomplish: Your heart beats 103,689 times Your blood travels 168,000,000 miles You breathe 23,040 times. You inhale 438 cubic feet of air. You eat 3.25 pounds of food, You drink 2.9 quarts of liquids You lose 7/8 pound of waste. You speak 4,800 words, including some unnecessary ones You move 750 muscles Your nails grow .000046 inch Your hair grows .01714 inch You exercise 7,000,000 brain cells.and all this happens by accident!
