This is what you must write to the angel of the church at Ephesus: I am the one who holds the seven stars in my right hand, and I walk among the seven gold lampstands. Listen to what I say. I know everything you have done, including your hard work and how you have endured. I know you wont put up with anyone who is evil. When some people pretended to be apostles, you tested them and found out that they were liars. You have endured and gone through hard times because of me, and you have not given up.

Rev 2:1+

They say it is best not to move around when you know you are lost, set up a signal fire and wait. And so the light of Jesus – His flame – fires up within us, beckoning Himself to us. Now, how is that for amazing? Be still, call out to Him and anticipate His rescue.

God had one son on earth without sin, but never one without suffering.

Augustine

The real problem is not why some pious, humble, believing people suffer, but why some do not.

C.S. Lewis

Jesus promised the disciples three things - that they would be completely fearless, absurdly happy and in constant trouble.

G.K. Chesterton

Whomever the Lord has adopted and deemed worthy of His fellowship ought to prepare themselves for a hard, toilsome, and unquiet life, crammed with very many and various kinds of evil.

John Calvin

The path of obedience is often marked by times of suffering and loss.

Chuck Swindoll

We do not understand the intricate pattern of the stars in their courses, but we know that He who created them does, and that just as surely as He guides them, He is charting a safe course for us.

Billy Graham

Just think you are here not by chance but by GOD's choosing. His hand formed you and made you the person you are. He compares you to no one else; you are one of a kind. You lack nothing that His grace can't give you. He has allowed you to be here at this time in history to fulfil His special purpose for this generation. You are GOD's servant in GOD's place at GOD's perfect time.

Roy Lessin

I was once talking to a man from South Africa whose father was a Baptist minster during the apartheid years. Their family lived in a mining town and the labourers at the mine were from 3 different African tribes, each with their own independent language. At one time there was a lot of unrest amongst the mine labourers, and the mine manager, concerned that a riot was going to start went and asked this Baptist minister if he would come and speak to the workers to try and calm them down. The minster agreed to try although he did not know any African languages. So he spoke and a riot was averted. Afterwards, much to his surprise, the minister was praised for having the common sense to speak in the African trade language so that all the workers, no matter what tribe they came from, could understand him. The surprise for him was that he had never learnt that language and was totally unaware that that is what he had spoken.
