The Lord is my Shepherd; I'll not want. He makes me to lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake.. Yea, though I walk through the valley of the shadow of death, I will fear no evil,; for Thou art with me; Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies; Thou anointest my head with oil, my cup runneth over,. Surely goodness and mercy shall follow me all the days of my life and I will dwell in the house of the LORD forever. Ps.23

Norman Cousins was diagnosed as having an incurable disease. He was bedridden & the doctors gave him no hope at all. So he decided on his own treatment. His family got a movie projector & rented all the Charlie Chaplin & Abbott & Costello movies that they could find - movies where you just sit back & laugh because they are genuinely funny. He ran one after another, & the more he watched the more he laughed. and the better he felt., before long the doctors could find no evidence of the incurable disease. The proverb is true. If you're joyful in your heart, then that is good medicine. But if you're not, if your spirit is broken, then it dries up your bones. You become old & tired, & a person no one wants to be around
