And there was a great cry of the people and of their wives against their brethren the Jews. For there were that said,, We are sons and our daughters are many: therefore we take up corn for them, that we may eat and live. Some also were there that said, We have mortgaged our lands, vineyards and houses that we might buy corn, because of the dearth.. There were also that said, We have borrowed money for the king's tribute, and that upon our lands and vineyards. Yet now our flesh is as the flesh of our brethren, our children as their children: and. Lo, we bring our bondage our sons and our daughters to be servants and some of our daughters are brought into bondage already, neither is it in our power to redeem them.;for other men have our lands and vineyards. Hurricane Dorian has left much of the Bahamas and in particular Grand Bahama and the Abaco islands devastated.. Approximately 45% of the homes were destroyed and many institutions are uninhabitable. Funds are urgently needed to help the people get the bare essentials and to rebuild their lives.. ADRA already have a team giving out over 400 hot meals a day and helping in other ways.. Donations can be made via the ADRA website at: www.adra.org.uk or cheques should be made out to ADRA-UK, and sent to ADRA-UK, Stanborough Park, Watford, Herts. WD25 9JZ

ADRA have extended the closing date for the ADRA virtual shoe box appeal, this will now run until 17th. Nov. The boxes cost £10.00 each and are going to support those in Malawi, Mozambique and Zimbabwe, who were devastated by the cyclone Idai and cyclone Kenneth earlier this year. Website not open before 1st. Sept. : www.giftbox.adra.org.uk If you don't have a computer, monies can be given to members who do and will get one (or more) on your behalf.

Due to various reasons I will not be putting in any quotes for the rest of the quarter, not least because the lessons do not really lend themselves to other interpretations or thoughts. I would hope to have things back to normal (whatever that is!) next quarter.. My grateful thanks to all those who have been and are praying for me. It is very much appreciated and I hope to be able to relieve those who have taken over some of my duties before too long

One day the reformer Martin Luther was feeling rather down. The Pope was after him. His colleagues were bickering among themselves. He felt the heavy pressure that came with being a professor, pastor, and father. And he was in excruciating pain from kidney stones. As he moped around the house muttering underneath his breath, his wife Katherine announced in a solemn voice, "God is dead." Luther looked at his wife with puzzlement and replied, "God is not dead" Katherine went on to say, "It sure seems like God is dead by the way you are acting." Luther thanked his wife and etched a Latin word on his desk: vivit. Vivit means, "He lives." Whenever things weren't going well and Luther was tempted to complain about them, he looked at that one simple word and was invigorated. Because Jesus was alive Luther had every reason to be upbeat.
