<sup>20</sup> ..an angel of the Lord appeared to him in a dream and said, "Joseph son of David, do not be afraid to take Mary home as your wife, because what is conceived in her is from the Holy Spirit.

<sup>21</sup> She will give birth to a son, and you are to give him the name Jesus, because he will save his people from their sins."

<sup>22</sup> All this took place to fulfil what the Lord had said through the prophet: <sup>23</sup> "The virgin will conceive and give birth to a son, and they will call him Immanuel" (which means "God with us").

Preacher: Lori Cameron

But when the fullness of the time had come, God sent forth His Son, born of a woman, born under the law. — Galatians 4:4

God often does the most extraordinary things in the most ordinary ways. Sometimes His acts are clearly extraordinary — like the burning bush where Moses encountered Him (Exodus 3:1-6). But other times, they are so ordinary their significance is only gradually realized — like the birth of a Child in a stable in Bethlehem (Luke 2:1-7).

One of the many messages of Christmas is God's timing.

Just as God sent His Son into the world in a seemingly "ordinary" way, so He works in our lives with the same purposefulness. As you celebrate Christ's birth, remember that every work of God is extraordinary — including the times and ways He acts in your life.

Peter is recovering from a chest infection which at last seems to be better. This combined with the cancer and the long stay in hospital has left him weak. However we are hoping he will be moved to Prince Phillips hospital (Llanelli) in the next few days so that arrangements can be made for him to come home.  
Please speak to Uschi if you are planning to visit.
